

*1972-73 — a year of memories and excitement! All the students of Leon High School left the old school this year, some to the new school, Bluestem, and some to encounter life's responsibilities. For many, the thought of leaving the old high school and going to other pursuits was an exciting experience. But still, for most of the seniors and underclassmen, 1973 will be one year to remember. The memories of Leon High will never die even though the surroundings and names are new. 1972-73 — a school year to*

August was a month for beginning school, beginning football practice, feeling the heat of excitement in a new year, and the cool of the pop machine at the noon break.

## September Sparked Activity

Ground breaking marked the beginning of the building of the new school and September activities. Football games, cross country, and girls' volleyball games began. Class organizations planned projects such as senior magazine sales for the year. Spirit Week, the last week of September, concluded with the Homecoming game and coronation.

# *Students Kept on Truckin' in November*

November was the month of Thanksgiving and grade cards when the first nine weeks ended. Football season and indoor practice began as days grew colder. The dress code committee worked on the handbook to change the dress code. New school construction was slowed with wintry weather, but November ended with a short vacation to brighten students' spirits.

## *December Holiday*

## *Spirit Invaded L.H.S.*

December was a month of giving. Maybe the teachers just skipped a test or let the students lead the class discussion, but the holiday spirit was strong and vibrant. Sports were important during this month. The Lions lifted their records to the top in both wrestling and basketball. Preparation for tournaments was their direct goal. The long-awaited vacation arrived to finish the 1972 year.

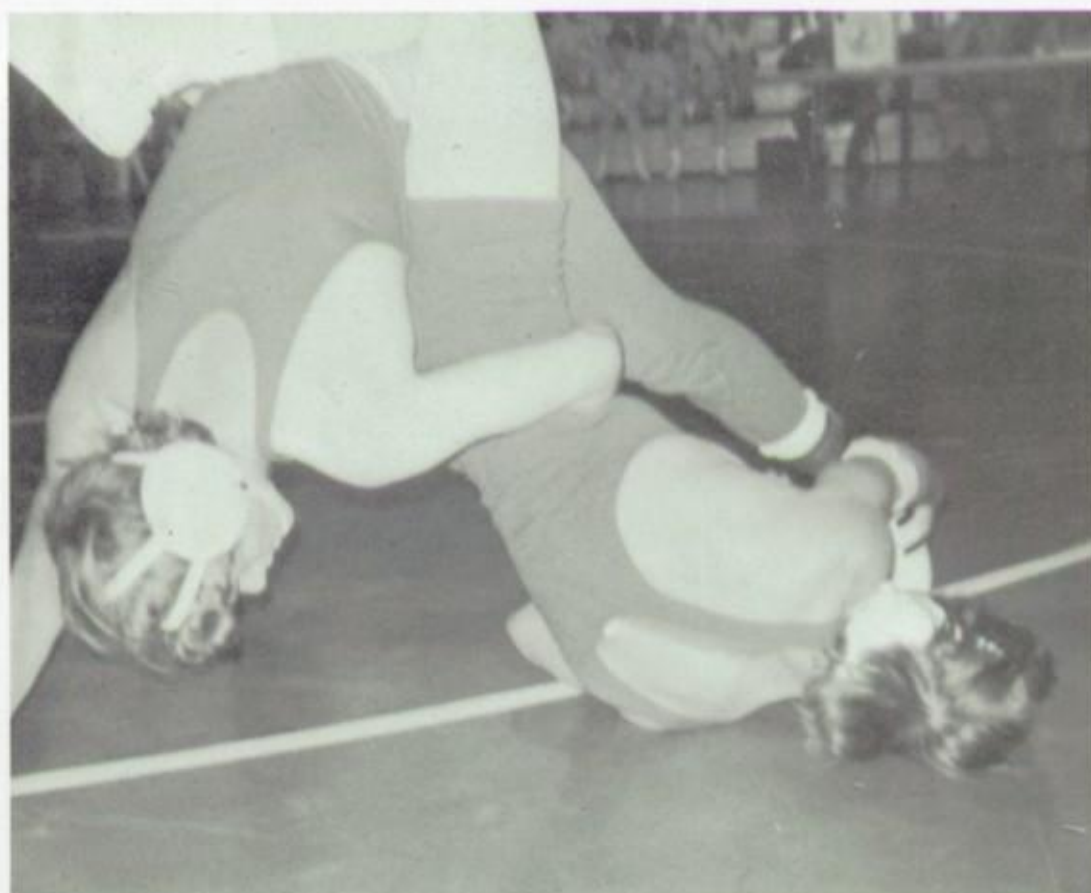

## *Snow Scenes Semester's End in January*

January was the month of suspense and thrills. The school was buzzing with enthusiasm as the annual homecoming came around and preparation for basketball homecoming began. Midnight cramming and sleepy-eyed mornings helped pass a lot of semester exams which both the students and the teachers could have done without.

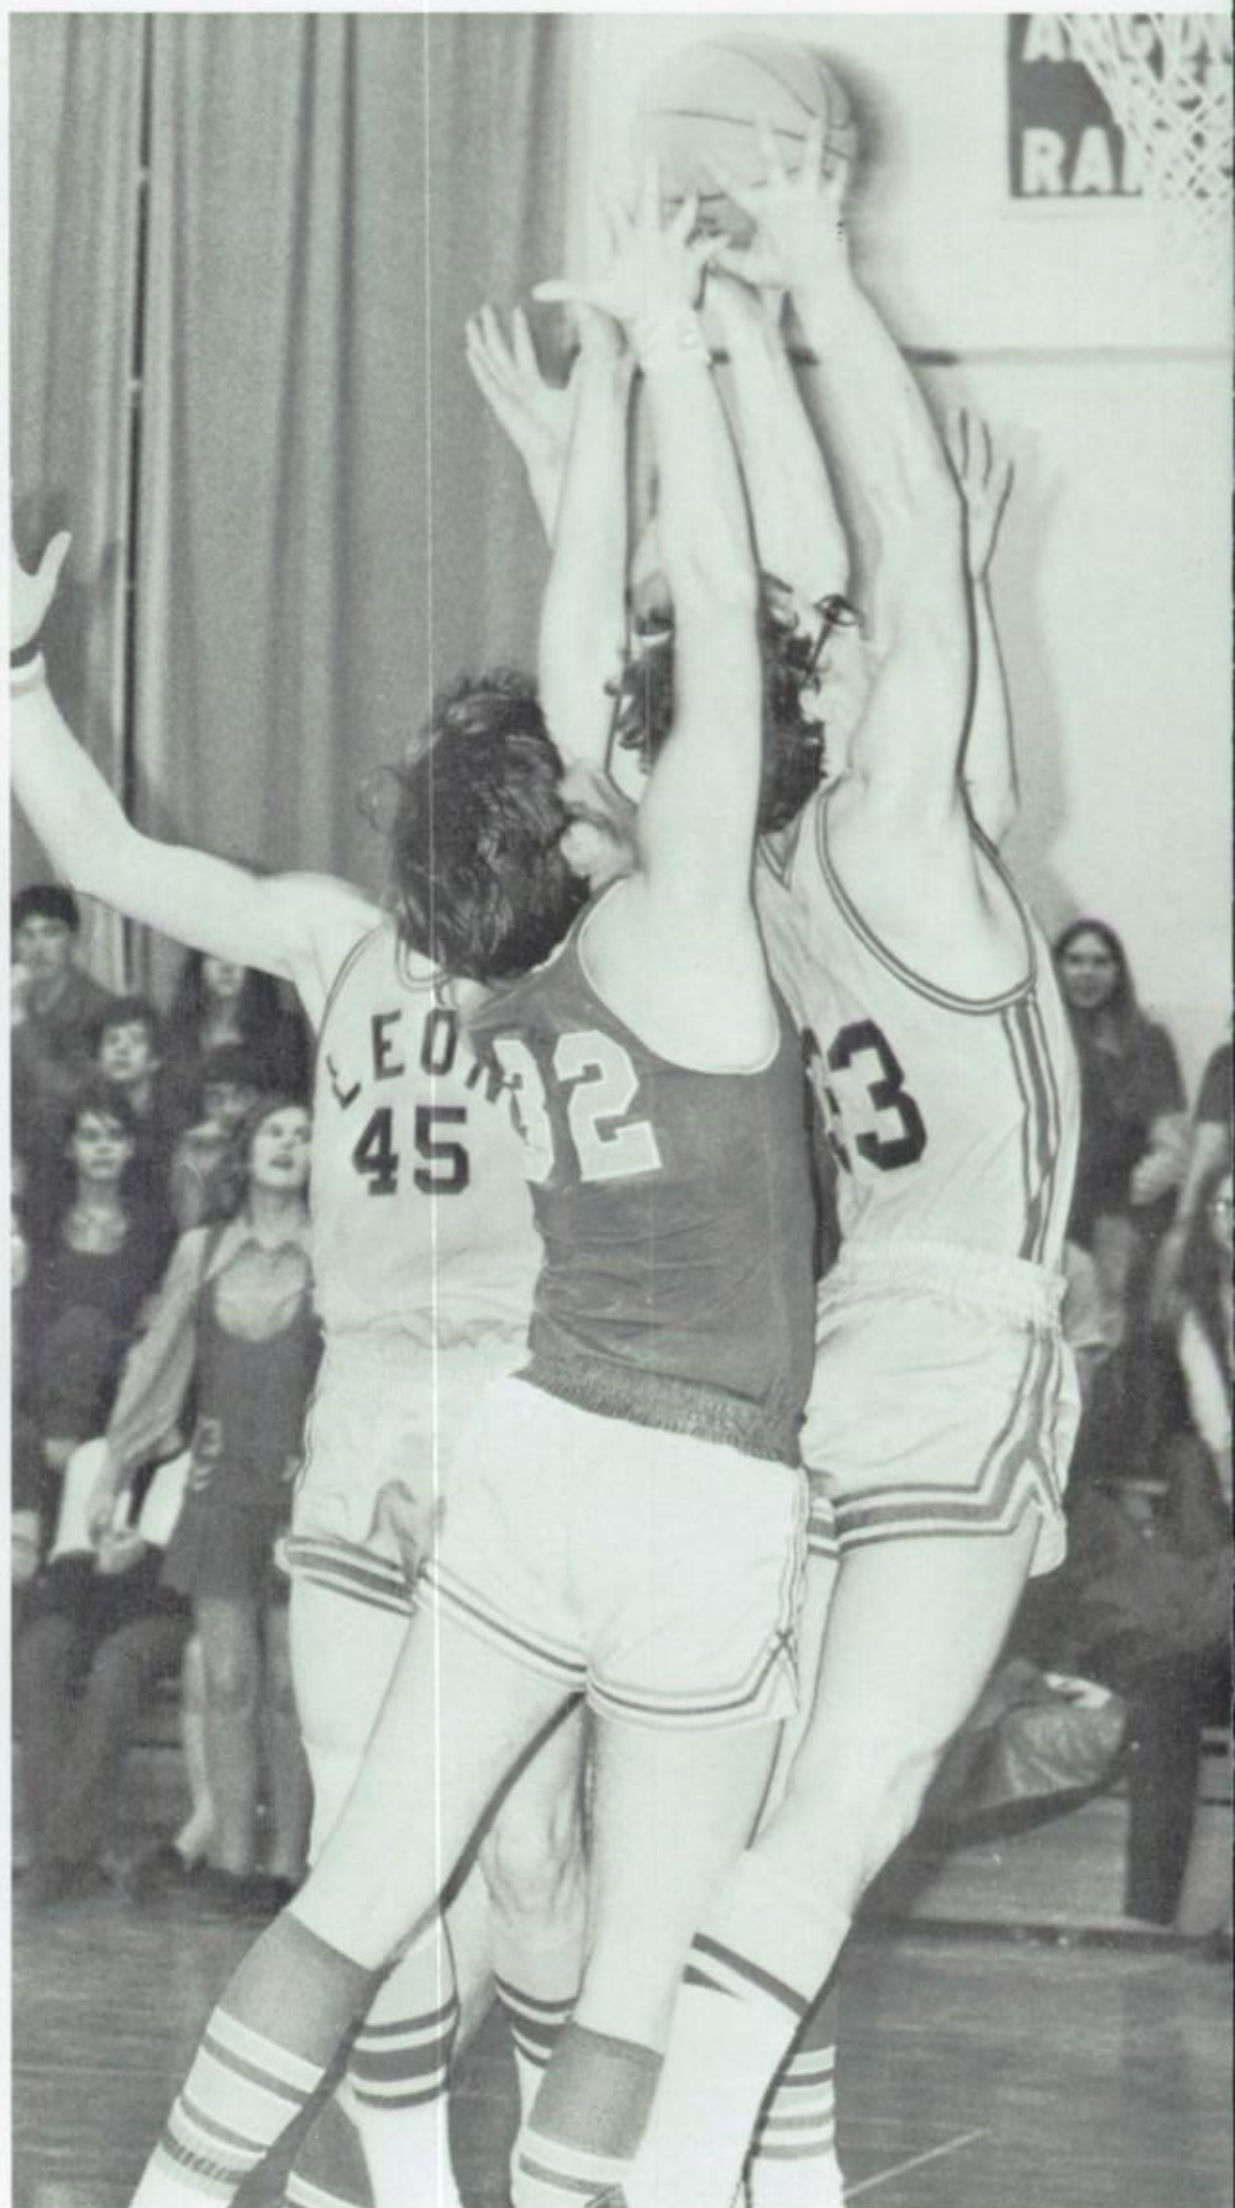

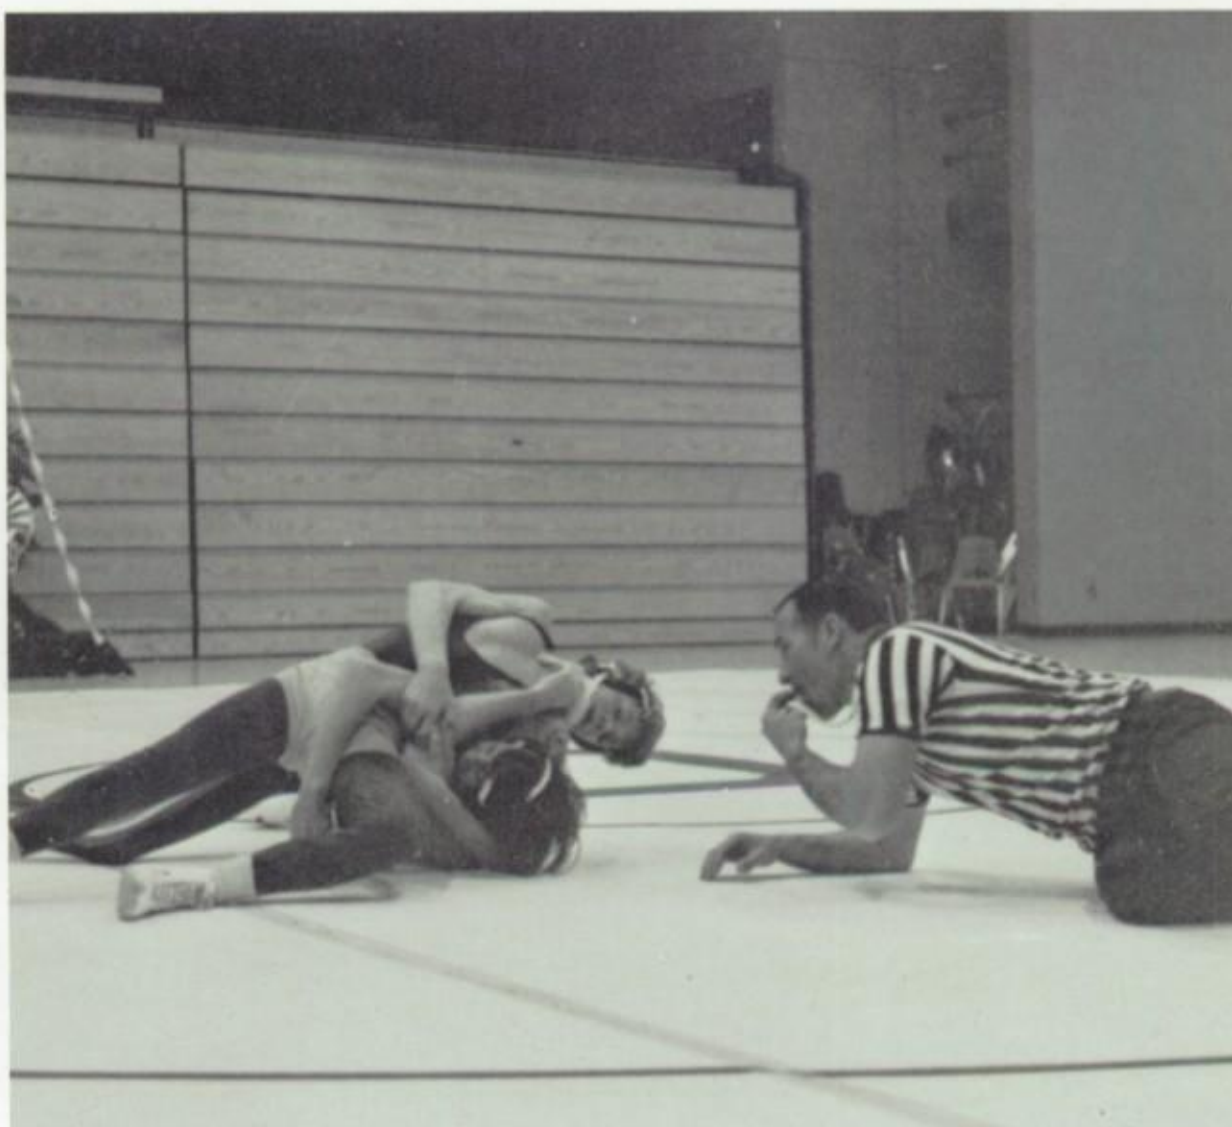

## *February Days Drifted by for Lion Fans*

Sports activities, tournaments, competed with Mr. Weatherman during February as the snow drifted across the campus of LHS. But classes continued as usual as nothing could keep the students from enjoying the pleasures of school life. A change in the dress code became effective.

# *March Brought Rain, Rain, and More Rain*

March was a month of weather. Temperatures ranged from lower 20's to upper 60's. But most of the month was continuous rain. School builders lost valuable time, ranchers lost cattle, and everyone lost patience.

Activities were also varied. Basketball season ended with state tournament, band and music classes participated in SCKL contests, track season opened for both girls and boys, senior play practice got underway, and the 1972-73 athletes were given recognition at the All-Sports Reception and Dance.

## *May Was a Maze of Final Activities*

The finishing of track, rehearsing for graduation, leaving for senior trip, and taking it easy for awhile highlighted spots in May. The pace soon began to get faster as students studied for final exams.

## *Cross Country Road Over Hill, Over Dale*

Craig McElroy set the pace for the Leon cross-country team throughout the 1972 season. He is a two-year letterman in this sport and we have high hopes for him next year. Craig placed in regional competition and from there went to state. He represented Leon quite well.

The Leon Lions compiled a pretty fair record by capturing second place in the South Central Kansas League. They finished the season with a 5-2 league record and a 13-8 overall record.

The boys went into the Regional Tournament with a first place District trophy and high hopes of advancing into the State, but their hopes were deflated when Halstead downed the Lions in the first game.

After the season, the SCKL coaches selected the top ten league performers. Three Leon boys were chosen for these honors. They were Seniors, Sam Seward and Gene Calvin and Junior, Junior Calvin.

# Girls Took Regionals; Went on to State

Leon ended their 1972 volleyball season with a 7-4 winning record. With spirit and determination the girls worked their way towards the regional tournament. The girls, filled with excitement, put forth a great effort, and with a great deal of enthusiasm won first at the regional tournament. They went on to state, but came home without a win. Even though the girls didn't place at state, they gained new ideas in hopes for an even more successful future.

## Four Years of Effort Paid Off at State

Four years ago, Miss Marsha Zink and this year's graduating seniors entered LHS together. Throughout those years, Miss Zink and the Mixed Chorus had been working to achieve the goal of a I rating at both the League and State Music Contests. During the 1972-73 school year this goal was achieved.

Ever since the first day of music class in August, the students practiced on songs for the special programs presented at LHS and also for music contests. The vocal music department put on programs for Thanksgiving and Christmas, and presented a Spring musical just before the end of school.

This year the vocal music department captured more honors than ever before. LHS received plaques for the I ratings of Mixed Chorus and Girls Glee.

## *Drill Team Captured Half-Time Interest*

The Leon Lions Drill Team of 1972-73, sponsored by Mr. Craig Cruik, were the center of attention at half-times of Leon athletic events. They also appeared in the Augusta United Fund Parade, Douglass Appreciation Day Parade, and Latham 4th of July Parade.

The Drill Team has grown considerably over the previous number. Membership increased from eight to the current 15.

As projects, Drill Team members attended summer camp, furnished concessions at some football games and wrestling matches.

## *F.H.A. Upheld Motto, "To Dare Is to Care"*

In 1972-73 the Leon FHA organization had a state officer and a district officer in its membership, Debbie Petersen and Gwen Genter. The officers wrote a constitution for the local FHA.

As projects FHA girls sponsored a program on drug abuse given by the Rock Castle Jaycees; they sold candles to raise money, they won second in the district

Display Contest with a booth illustrating the objectives of FHA. In addition they held a Christmas dance December 22, with the theme "Merry Christmas, Darling" and an annual soup supper at the last home football game.

Forty-seven girls went to District Meeting at Winfield.
